Dear M/S Criddle,

**RE: Uniform Consumer Credit Code**

Thank you for your correspondence of the 7<sup>th</sup> November 2005, which we just received 2<sup>nd</sup> December 2005.

In response to your request for information regarding amendments to the Code, we request an extension period of time.

Due to the lateness of your letter and the current holiday festive season we would not be able to fully investigate the matters your department proposes to change.

We welcome any pro- active changes that would clarify the Code for both Consumer and Credit Provider.

Thank you for your correspondence and would appreciate the opportunity to submit our thoughts on these matters.

Yours Faithfully

**Financiers Association of Australia Ltd**
